

GEORGIAN BAY FOREVER

PROTECT GEORGIAN BAY. FOREVER.

MARINA AND LOCAL
BUSINESS PROGRAM:
PUT YOUR NAME ON THE BAY

The Marina and Local Business Program supports Georgian Bay Forever's work, which takes place in and on, and has everything to do with the water.

Public education, scientific research, and actionable programming are the charity's fundamental pillars, and require the transporting of equipment, and the travel of stakeholders, scientists, and students across the great stretches of open Georgian Bay water.

The Marina and Local Business Program has two levels of support:

Tier One: An annual donation of \$1,000 for a minimum of three years. In return, you will receive: your company logo displayed on the hull of the Georgian Baykeeper; acknowledgement of your sponsorship in our communication materials and on our website; and, invitations to GBF's educational events.

Tier Two: An annual donation of \$250 for a minimum of one year. In return, you will receive: your company name listed in our newsletters, on our website and in our Annual Report.

In addition, Georgian Bay Forever would welcome the use of a transient boat slip on a short-term basis when we're in your area.

Please fill out the reverse of this form and mail it, along with your payment, to Georgian Bay Forever PO Box 75347 Leslie Street, Toronto, ON M4M 1B3

Sherry Leroux and Drew Lichtenheldt, Owners and Managers of Point Pleasant Marina

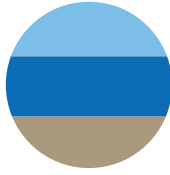

Point Pleasant Marina, Parry Sound, Ontario

Since 2013, Point Pleasant Marina has shown their promise and pledge to protect Georgian Bay, its water quality, and ecosystem health by supporting projects focused on preserving and protecting the "Sixth Great Lake". Drew and Sherry understand how critically important the water is to their business, their customers, and their family – they show this commitment by financially supporting the Baykeeper research vessel and Georgian Bay Forever's many projects around the Bay, from Manitoulin Island all the way around to Tobermory.

* The Baykeeper is the official name of Georgian Bay Forever's boat, a 2011, 19- foot Stanley Islander with a Yamaha 115 HP ultra-low emission outboard. Major support was provided by Connor Industries and Gordon Bay Marina. The name also acknowledges that Georgian Bay Forever is a member of the Waterkeeper Alliance, a global movement of on-the-water advocates who patrol and protect over 100,000 miles of rivers, streams and coastlines in North and South America, Europe, Australia, Asia and Africa. For more information, go to waterkeeper.org.

“ We have always been huge supporters of Georgian Bay Forever and their forward-thinking water protection initiatives. We feel it is crucially important to protect this water, which is GBF's core focus. We continue to support GBF every year, because now, more than ever, we must continue to defend the environment and learn new ways to protect water in this ever-changing world. Georgian Bay, an integral part of our lives, is in jeopardy, and we know the importance of instilling in the up-and-coming generations, the critical need to protect this natural environment that surrounds us every day. ”

Sherry Leroux and Drew Lichtenheldt, Point Pleasant Marina

- YES, I want to join the Marina and Local Business Sponsorship Program and help Georgian Bay Forever keep these waters healthy and thriving for all!
- With an annual gift of \$1,000 for _____ years (minimum 3 years) **OR** With an annual gift of \$250 for _____ year(s) (renewable yearly)
