

# CLEANUP SAFETY

GEORGIAN BAY  
**FOREVER**

**Bring proper safety gear**

**Assess the area. Look for hazards and possible dangers.**

**Be prepared to sort items of garbage and recycling**

**Be sure to have enough supervisors in your group**

**Always practice water safety when around water**

**Watch for cars and be careful near roads and waterways**

**Do not pick up dangerous items without proper gloves. Dispose of in sharps container**

**Wash your hands after the cleanup**
