## TRASH TALLY

OTHER	TOTAL #	OTHER	TOTAL #
Syringes			
Tires			
Furniture			
Balloons			
Containers			
Packaging			

### Litter item tips:

- Containers: Larger containers like bleach or detergent.
- Food wrappers: Thin plastic, foil, or paper wrapping around food, candy and snack wrappers.
- Other packaging: Packaging created to contain food, like plastic or styrofoam containers. Or packaging around products like cigarette wrappers.
- Tiny plastics & foam: Give us your best estimate for these (we don't expect you to count every single piece!)

Thank you for contributing to  
cleaning up our community
